

Ochir Budzhalov

budzhalov99@gmail.com • <https://ochirengineer.ru/>

Frontend Developer with 4 years of experience in tech companies. Proficient in JavaScript, TypeScript, React.js and Next.js. Experienced in optimizing deployment processes, enhancing UI development workflows, and building high-performance web applications.

Experience

Frontend Developer

easysms - Leading Russian SMS delivery API platform

Moscow
Oct. 2021 - now

- Rebuilt underutilized legacy React app into a modern Next.js application using TypeScript, Swagger-based API generation, and Hasura, transitioning 70% of the admin interface to a scalable, best-practices-driven solution.
- Developed a UI Kit library with StoryBook, decreasing UI development time by 20%, and ensuring design consistency.
- Designed and built a typed API generator from Swagger, fixing doc inconsistencies and speeding up frontend development by 15%.
- Delivered an MVP “CSV upload application” for large 2GB+ files with rows preview and entire file error checking using React.
- Mentored 2 junior developers who grew into strong mid-level+ engineers, fostering a productive and efficient team environment.
- Configured Keycloak for authentication testing and implemented a robust authorization system using NextAuth and Hasura.

Frontend Developer

QompaX - Business Intelligence startup

Moscow
Dec. 2020 - Oct. 2021

- Developed a Power BI client SPA using React, MSAL (as backend for authentication), MobX and Axios.
- Designed a part of a database architecture based on front end needs.
- Created a Power BI custom visualisation on Typescript and d3 library.

BI Analyst

QompaX - Business Intelligence startup

Moscow
Dec. 2019 - Dec. 2020

- Builded interactive data visualizations and dashboards/reports using Power BI.

Projects

errcatcher - <https://strongmonke.ru>

A real-time error monitoring and tracking solution that gives developers full error context to quickly diagnose and resolve issues. Demo-ready version available; open-source version is actively under development.

Education

Plekhanov Russian University of Economics

Bachelors degree in Management

Moscow
2017
